

PROTOS SHIPPING LTD. - COVID-19 OPERATIONAL UPDATE

October 1. 2022

We remain fully functional, though a number of our staff are still working from home, or on rotation in the offices. Except for Halifax which is fully operational. Calls to our offices will be directed to each person's direct dial / local and, if they are out, will be auto-forwarded to their mobile. A list key A.H. numbers are posted below.

In addition to our individual email addresses, our Group email boxes are always monitored:

- Chartering = prochart@protos.ca
- Vessel Operations = protops@protos.ca
- General Sales = sales@protos.ca
- Logistics = protoslogistics@protos.ca

Key Protos Shipping Ltd individual contact numbers:

Canada Status Update

International and Domestic Travel:

- Foreign nationals permitted into Canada.

Maritime:

- All ports receiving international cargo are open and working.
- International crew changes and Vessel related staff permitted.
- St. Lawrence Seaway fully operational.
- Covid-19 reporting procedures implemented for all Vessels through Public Health Canada (PHAC). Transport Canada & PHAC have been suspended.

All of the above are general information guidelines only. If you have any specific requirements or requests as relates to the movement of goods to or from Canada, please contact Protos Shipping Ltd.

Please contact the under signed with any issues or questions.

Sincerely,

Andre Neuendorff
President,
Protos Shipping Ltd.
